Rankings and Awards:

Third-party rankings, awards listings and/or recognition by unaffiliated third-party rating services and/or publications should not be construed

by a client or prospective client as a guarantee that he/she will experience a certain level of results if Advisor is engaged, or continues to be engaged, to provide investment advisory services, nor should it be construed as a current or past endorsement of Advisor by any of its clients. Third-party rankings and recognition from rating services and publications do not guarantee future investment success. Working with a highly rated investment advisor also does not ensure that a client or prospective client will experience a higher level of performance. Generally, but not always, ratings, rankings and recognition are based on information provided by Advisor to be considered for the award and does not pay an application fee to participate.

Rankings are provided for informational purposes only and should not be used as the sole basis for engaging Advisor for advisory services. Please refer to the more thorough disclosure and additional information about the criteria used in making these rankings via the website of the publication and/or organization granting such recognition.

Five Star Manager's: Five Star Wealth Manager ratings are based on the proprietary model based upon client satisfaction with the type of services offered. ARPP LLC dba Sabur PWM paid no applicable fees to participate in the ranking process.
